# Carbon Monoxide

Ignorance can  
be fatal

**Pride Park Stadium, Derbyshire, DE24 8XL**

IGEM in partnership with Wales and the West Utilities and the Carbon Monoxide All Fuels Action Forum are holding a joint one-day event on the fight against unnecessary deaths, injuries and suffering caused by carbon monoxide (CO) poisoning.

## Top Industry Speakers Include

- Barry Shearman MP
- Russel Kramer, CEO of Gas Safe Register
- Mark Oliver, Wales & West Utilities
- Chris Bielby, Gas Safety Trust
- Leigh Greenham, COGDEM
- Roland Wessling, CO+ Savi Group
- Simon Clarke, Frimley Park Hospital
- Trevor Batt, Corgi
- Afroza Ahmed, Occupational Therapist
- Stacey Rodgers, Dominic Rodgers Trust
- Giovanni Leonardi, Public Health, England

## What's happening?

The format of the conference will consist of keynote speakers presenting the latest developments to raise awareness, improve detection and develop regulation to further eradicate this silent killer. Presentations will be followed by interactive sessions led by Government and Industry experts.
