

Format and guidelines for YPPC abstract submission

The following guidelines have been produced to help you when preparing your abstract for submission.

Title : This should be meaningful and descriptive of the content of your submission.

Author: Please list your full name, job title and company affiliation.

Abstract: You should provide a concise outline of the content of no more than 250 words.

- Purpose: what was the problem? What is being solved? Why has the topic been chosen?
- Methods: what work was undertaken? (by the individual), how was the work undertaken?
- Findings: What are the main findings and results from the work? What has been learnt?
- Conclusion: what do the findings mean? What is the significance of the work? What does it mean for the individual/their company/the gas industry?
- Optional: one photo, diagram, table, graph etc. to accompany the abstract

Abstracts should be submitted electronically to the YPN secretary ypn@igem.org.uk to be received **no later than 28 February 2018**.

If you have any questions or require any further information please contact Linda Mee, YPN Secretary, email ypn@igem.org.uk r tel 01509 678 184
