

Format and guidelines for full YPPC paper submission

The following guidelines have been produced to help you when preparing your paper for submission.

Title of Paper:	This should be meaningful and descriptive of the content of your paper.
Author:	Please list your full name and company affiliation.
Abstract:	You should provide a concise outline of the content of no more than 250 words (this will not be counted in the 1500 words for the main paper).
Main text:	This should include a proper Introduction and Conclusion.
Reference list and/ or bibliography*	(books, articles, journals, official reports etc): should be alphabetically arranged by author or editor in a consistent or recognised system.
Acknowledgements:	(if any) briefly cite or acknowledge special help from individuals or organisations.
Tables/illustrations:	(if any) should be titled and numbered sequentially as they appear in the text.
Appendices:	(if any) should be titled and will not be counted in the 1500 words.
*Definitions:	
reference list	a properly formatted list of every literature source formally cited in the text
bibliography	merely a list of literature (books, academic papers, etc) that has been used as information sources for the compilation of your paper.

Papers should be submitted electronically to the YPN secretary ypn@igem.org.uk to be received **no later than 25 May 2018**

If you have any questions or require any further information please contact Linda Mee, YPN Secretary, email ypn@igem.org.uk or tel 01509 678 184
